Overview

Brain injury guru Bill Braithwaite KC “makes a difference” to any complex claim” (Legal 500).

Bill is a vastly experienced and well-known personal injury practitioner. He has represented over one thousand catastrophically injured claimants, and regularly recovers more than £50 million a year in compensation for catastrophically injured claimants.

Bill’s practice is highly specialised. He represents claimants only, in claims involving catastrophic brain and spine injury, however caused, including clinical negligence.
