Public Access (Motoring Offences)

Julian Goode can advise and represent you in court if you are charged with a 'summary only' motoring offence. This is a motoring offence which can only be heard in the Magistrates' Court. For example, driving while disqualified, driving without insurance, careless driving, failing to stop or report and speeding.

Timescales

Timescales for our services may vary depending on factors such as barristers' availability, the complexity of your case and the need for additional documents. As a guide, written advice on your case will be available within two to four weeks where possible. You may also need representation at short notice. If so, please contact the clerks and Julian will aim to represent you at the hearing where possible.
