Inquests

Steve's particular experience in professional discipline and criminal work allows him to provide expert advice to clients where there are contemplated criminal proceedings/ referrals to professional regulatory bodies. He is on the panel of barristers that prosecute on behalf of the General Medical Council and so has a detailed understanding of how professional regulatory bodies and tribunals operate.

Steve is particularly I.T. literate having been employed as an artificial-intelligence software engineer whilst he was completing his qualifications to be called to the Bar.

An experienced and persuasive advocate with a friendly and practical manner, Steve adopts a pragmatic approach to cases and inquests.
