Personal Injury: Defence

Tom is regularly instructed by Defendants in a broad range of cases including those where fraud is suspected.

Tom closely liaises with solicitors' firms from the outset of a claim and is able to provide quick and clear advice in relation to pleadings through to trial tactics where fraud is pursued as an explicit issue. His usual trial case load has involved staged accidents, exaggeration, low velocity impact and phantom passengers.

Tom takes instruction in relation to all manner of interlocutory and disposal hearings. He is instructed in fast track and multi track matters.

Tom is happy to respond to informal requests for advice by email or otherwise.

Recommendations

"He is one of the most composed human beings I have ever met – his level of composure is second to none." *Client testimonial*

Beyond the Bar

Tom likes to play a lot of tennis and attempts to play golf and cricket. When not doing either he enjoys walking in the Lake District.
